1. Please describe this person's greatest strengths as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- Attentive and friendly during labs. Talked us (my lab partner and I) through problems we faced in lab with great clarity. Extremely helpful in eliminating any confusions regarding lab tasks.
- Friendly and is open to giving hints or guides
- Good
- great help at labs
- He could clearly answer any question I had regarding the coursework or lab contents.
- Jean's greatest strength was being approachable. I had no hesitation to ask him any question even if I felt my question was 'dumb' or stupid. He reassured me that my questions are valid and answered them in a kind manner.
- Knowledgeable.
- Really friendly and helpful.
- Very funny, kind, and personable. The best moment was talking about video games with him. Very kind and helpful in explaining concepts and casual tone makes him easy to approach.
- Very good TA very helpful in lab and in class and in discussions.
- Very helpful and answers questions and explains well.

2. Please describe this person's greatest weaknesses as a Instructional Assistant.
