7. Please describe any practices that the Instructional Assistant specifically used that created or interfered with a welcoming and supportive learning environment.

- The tone of his voice was inviting which made me less stressed to ask questions

8. Please describe any practices that the Instructional Assistant specifically used that particularly helped you to learn the material and/or encouraged you to feel that you could succeed in the course.

- His explanations were memorable. I remember having trouble with dependent sources and he guided my view and asked hypothetical examples such as what x happened making me think and understand the material. This is because I understand now why some cases work and others don't work as well.
- the bootcamps were really helpful in the way that he walked through solutions step by step

9. Please offer constructive suggestions that might help the Instructional Assistant improve their contribution to your learning of the course material.
