- Conducts the bootcamps really smoothly.
- Funny as fuck, bro is a character
- Gorby does a great job explaining difficult problems during Friday bootcamps. He is very clear about what steps he takes when solving problems and answers any questions that there may be.
- He is very friendly and good at teaching confusing concepts. I think we should have three of him at all times to explain concepts very well during office hours and maybe at home. One of the best ta's ever. Also you should've given me your ign for league, we could've ran a few games.
