**Student IA Evaluation for Jean Gorby Calicdan**  
**Department of Electrical and Computer Engineering**

ECE 35 - Introduction to Analog Design (Schurgers, Curt)  
Fall 2021

**Number of Evaluations Submitted: 12**  
**Number of Students Enrolled: 151**

1. Please describe this person's greatest strengths as a Instructional Assistant.  
*Please keep your comments constructive and professional, abiding by the Principles of Community*

- Displays adept understanding of the course material. Pushes students to think about problems a certain way during lecture or tutoring hours. Ultimately, proved themselves extremely useful for the students who wish to find success in the course.
- explain things thoroughly and patiently
- He gives really clear instructions to help me.
- Helpful and patient
- Helpful explanations of lab problems
- Kindness is his strongest strength, once I have a problem with some specific points, he would answer me very gently.
- Nice, and willing to work through the math for the labs to explain why formulas/ideas work.
- Really clear, easy to understand - sometimes asked me questions to test my knowledge further which was nice
- They are very helpful and provided excellent guidance. They are very patient and they expanded my understanding of the material.
- Very helpful in lab.
- very nice, great help

2. Please describe this person's greatest weaknesses as a Instructional Assistant.  
*Please keep your comments constructive and professional, abiding by the Principles of Community*

- He cannot be in two places at once.
- I don't think he has any.
- no weakness
- Too nice.

3. Please detail other characteristics of the Instructional Assistant (if applicable).  
*Please keep your comments constructive and professional, abiding by the Principles of Community*

[No Responses]

4. I would recommend this Instructional Assistant to other students.
